

# Our two year forward plan

Major programs 2024-26

Government of  
South Australia

# Acknowledgement of Country

We acknowledge the traditional custodians of the lands and waters of South Australia. We pay respect to Elders, past, present, emerging and future. We recognise the traditional custodians' unique connection to their lands and waters, language, lore, kinship and ceremony. Through this acknowledgment we commit to ongoing learning and understanding on our journey to reconciliation. We also pay respect to the cultural authority of Aboriginal and Torres Strait Islander people from other areas of Australia.

## Our two year forward plan

We are embarking on an unprecedented investment in our networks to meet the growing needs of South Australian communities, with a clear focus on supporting housing growth, maintaining and expanding essential services, and enhancing our water and wastewater infrastructure.

This significant investment is driving a range of new supply chain needs and tenders across our business, bringing opportunities for the construction industry.

Our two year forward plan provides an overview of upcoming capital projects across six areas which have a value of >\$500,000 and offer sub-contracting opportunities:

1. major projects
2. water civil
3. water solutions
4. wastewater
5. regional
6. minor works.

Alongside these larger initiatives, smaller projects are essential to delivering value and service to our customers.

Our investment plan ensures our assets - from treatment plants to mains and storages - continue to operate safely and efficiently, delivering safe, clean drinking water and reliable wastewater services.

### For more information

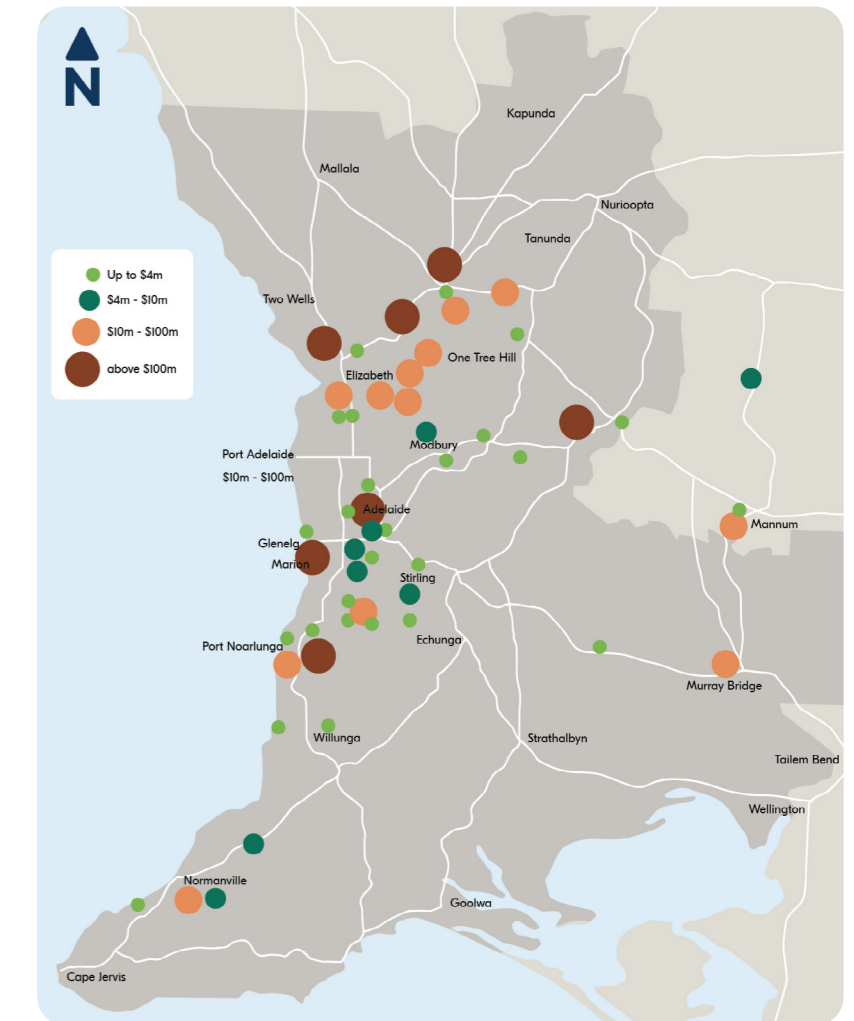

Tender opportunities are published at [tenders.sa.gov.au](https://tenders.sa.gov.au)

### Acronyms

<b>ASR</b> - activated sludge reactor	<b>WPS</b> - water pump station
<b>PRV</b> - pressure reducing valves	<b>WTP</b> - water treatment plant
<b>PS</b> - pump station	<b>WWTP</b> - wastewater treatment plant

Planned Metro projects in Greater Adelaide region

### I. Major projects

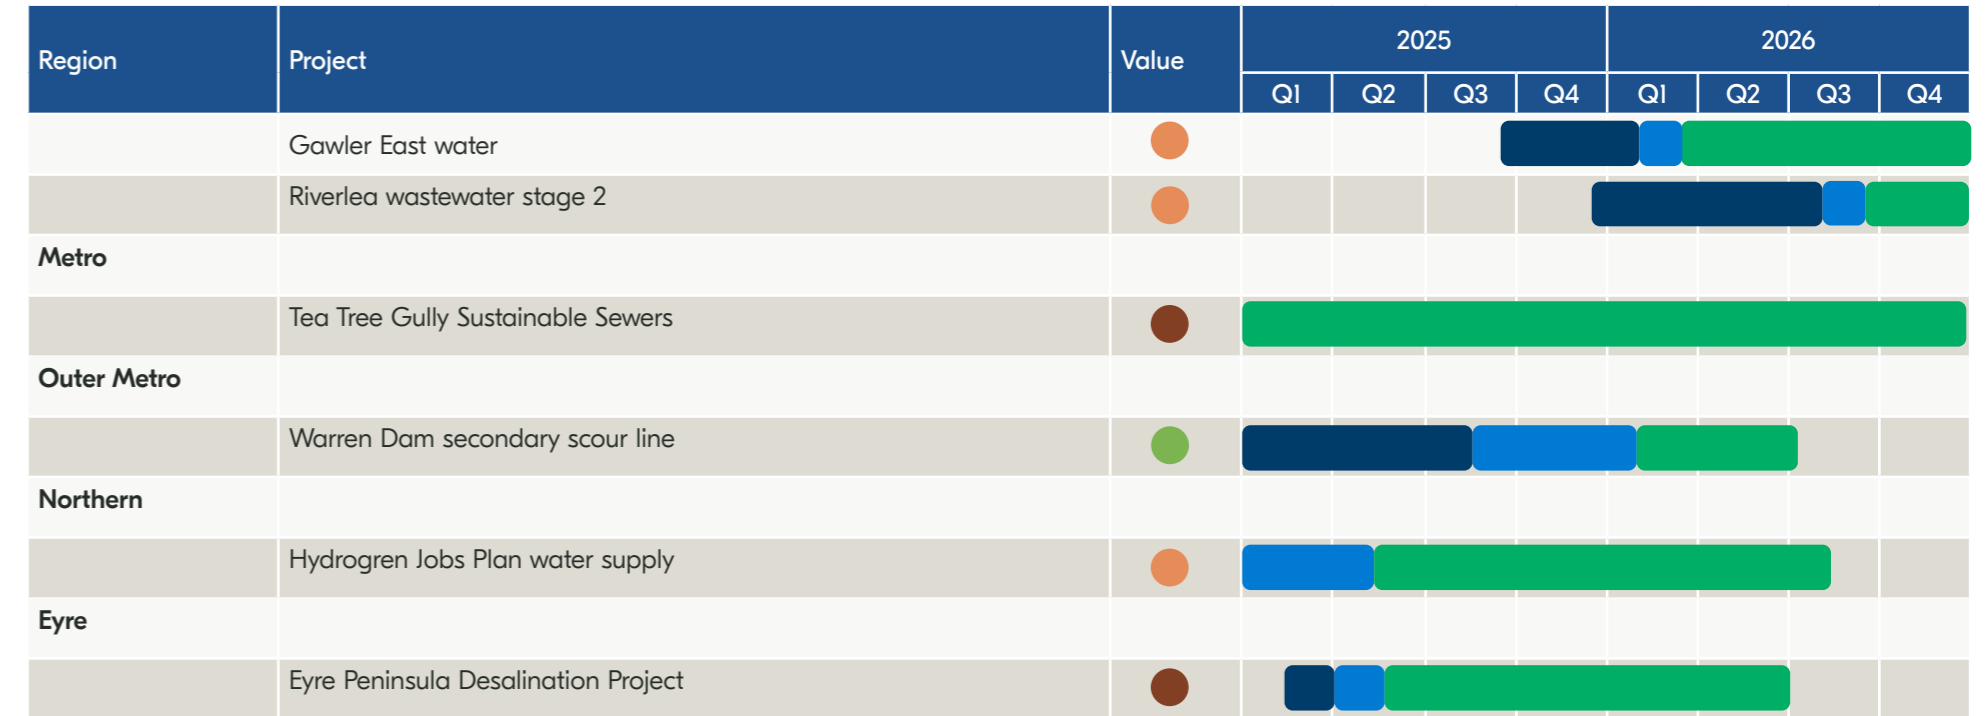

**Estimated project value**

● Up to \$4m   
 ● \$4m - \$10m   
 ● \$10m - \$100m   
 ● Over \$100m

**Project stages**

Planning and design   
  Procurement   
  Construction and delivery

**Estimated project value**

● Up to \$4m   
 ● \$4m - \$10m   
 ● \$10m - \$100m   
 ● Over \$100m

**Project stages**

Planning and design   
  Procurement   
  Construction and delivery

## 2. Water civil

Region	Project	Value	2025				2026				
			Q1	Q2	Q3	Q4	Q1	Q2	Q3	Q4	
<b>Metro</b>											
	Gawler 1.27ML storage tank	●	[Green bar]								
	Woodcroft 10ML storage tank	●	[Blue bar]	[Green bar]							
	Willunga 2.4ML storage tank	●	[Blue bar]	[Green bar]	[Green bar]						
	Burnside 4.55ML storage tank	●	[Blue bar]	[Green bar]							
	Moana growth	●	[Blue bar]	[Green bar]							
	Gorge Weir permanent system installation	●	[Blue bar]	[Green bar]							
	Sturt 9.09ML storage tank	●	[Blue bar]	[Green bar]							
	New Women's and Children's Hospital water	●	[Blue bar]	[Green bar]							
<b>Outer Metro</b>											
	South Para River – Barossa diversion weir to Gawler	●	[Green bar]								
	Sixth Creek River Torrens confluence	●	[Blue bar]	[Green bar]							
	Murray Bridge to Onkaparinga 2 and 3 refurbishment	●	[Blue bar]	[Green bar]							
	Sixth Creek and Torrens Creek confluence land rehabilitation	●	[Blue bar]	[Green bar]							
<b>Northern</b>											
	Swan Reach tank renewal	●	[Blue bar]	[Green bar]							

### Estimated project value

● Up to \$4m ● \$4m - \$10m ● \$10m - \$100m ● Over \$100m

### Project stages

■ Planning and design ■ Procurement ■ Construction and delivery
