

Application to bulk discharge wastewater SA Water

This form is for the use of entities seeking authorisation for a bulk discharge of wastewater to SA Water's sewerage system. Once complete and signed by an authorised representative, please send this application together with the relevant information, by one of the following methods:

South Australian Water Corporation
GPO Box 1751 Adelaide SA 5001
Attention: Trade Waste

tradewaste@sawater.com.au

Important documentation

- Before completing this application, please read the [Restricted Wastewater Acceptance Framework](http://www.sawater.com.au/business/trade-waste) and [Restricted Wastewater Acceptance Standards](http://www.sawater.com.au/business/trade-waste) on our website. Both documents are available at <http://www.sawater.com.au/business/trade-waste>.
- A **site plan** showing details of the plumbing and pre-treatment layout must accompany this application.
- A **sewer catchment plan** for the private wastewater system must accompany this application.

The undersigned hereby applies to SA Water under the *Water Industry Act 2012* for authorisation to bulk discharge from the Private Wastewater System stated below into SA Water's sewer.

SECTION A – General Information

Private Wastewater System name: _____

Company name: _____

ABN/ACN: _____

SA Water account number: _____

Business address: _____

Correspondence address: _____

Company owner /Contact person: _____

Telephone/Mobile phone: _____

Email address: _____

Government of
South Australia

SA Water

SECTION B – Wastewater Details

Wastewater treatment system type (E.g. WWTP, CWMS, Pump Station)

Discharged to sewer by?

☐ Gravity ☐ Pump

Typical quality parameters after pre-treatment (if known):

Biochemical oxygen demand (BOD) (mg/L)	
Suspended Solids (SS) (mg/L)	
Grease (mg/L)	
Total Dissolved Solids (TDS) (mg/L)	
Total Kjeldahl Nitrogen (TKN) (mg/L)	
Total Phosphorus (TP) (mg/L)	
pH	

Volume of discharge (KL/day):

Proposed discharge flowrate (L/s):

Proposed start date for the bulk discharge:

Discharge Type

☐ Continuous ☐ Intermittent

Duration of the discharge (e.g., days, weeks, ongoing)

Source(s) of wastewater (domestic and/or trade waste)

Number of property connections

Number of domestic dischargers

Will there be trade or restricted waste discharge?

☐ Yes ☐ No

Number of trade waste dischargers

Government of
South Australia

SA Water

Please attach a list of all known and proposed trade waste dischargers, including business name, address, type (food, car wash etc.), details of pre-treatment, estimated flow rates and volumes.

Are any other hazardous substances present in the wastewater? If yes, please list them.

Is there any stormwater, groundwater or seawater present in the wastewater? Provide details.

Has an environmental impact assessment been conducted?

☐ Yes ☐ No

If yes, please attach a copy

SECTION C – Proposed Discharge Point

Give details of exact discharge point within sewerage network if known (Attach any drawings with application)

Give details of discharge address to allow assessment of surrounding sewer if you would like SA Water to provide details of the discharge point

SECTION D – Insurance and contingency

Does the applicant hold public liability or environmental insurance relevant to the discharge?

☐ Yes ☐ No

If yes, please provide insurer name and policy number. _____

Have all necessary approvals been obtained from local councils or the EPA?

☐ Yes ☐ No

If yes, please attach copies, If No, please provide evidence of dispensation.

What contingency measures are in place in case of system failure or accidental discharge?

Who should be contacted in case of an emergency related to the discharge?

Name: _____

Position: _____

Phone: _____

Email: _____

Authorised Representative's Statement

This information submitted is, to the best of my knowledge and belief, true, accurate and complete. I am aware that there are significant penalties for submitting false information and that SA Water may recover from the applicant all costs incurred from addressing or remedying any damage or loss caused by a discharge that does not comply with the conditions of authorisation.

I understand that it is the discharger's responsibility to ensure that discharge from any property must comply with the Framework and Acceptance Standards.

☐ Yes ☐ No

I acknowledge that I have read and understood the terms and conditions set under the [Restricted Wastewater Acceptance Framework](#) on behalf of (*business name or owner*)

I hereby apply for an Authorisation.

Name _____ Title _____

Signature _____ Date _____

Supporting Documentation Checklist

- ☐ Site plan showing plumbing and pre-treatment layout
- ☐ Sewer catchment plan
- ☐ Environmental impact assessment (if applicable)
- ☐ Hydraulic assessment (if applicable)
- ☐ Water quality analysis report
- ☐ Council/EPA approvals
- ☐ Insurance certificate
- ☐ List of trade waste dischargers
